Churches of Christ Care's Sanctuary Park Retirement Community now selling Stage 3

Sanctuary Park Retirement Community is delighted to announce the launch of Stage 3 following the successful sell out of Stages 1 and 2.

And, people on the waiting list are eager to finally secure the unit of their choice

You too can select your dream villa from a range of designs - however with only 18 units in Stage 3, they won't last long.

So contact us now to make an appointment to receive the latest information on Sanctuary Park.

Retirement living at Sanctuary Park provides a combination of lifestyle and community facilities in quality accommodation specifically tailored to meet the needs of residents.

It has been designed as a small, friendly village of impeccable, yet affordable quality homes.

Enjoy carefree living at Sanctuary Park where you can put your feet up, explore the local hinterland and coastal surrounds, knowing your maintenance and gardening will be taken care of for you.

Sanctuary Park is conveniently located near local health and allied services as well as having community aged care services available, tailored to individual needs should you require it.

Sustainability is top of mind at Sanctuary Park where all residents recently implemented a solar power initiative. All units have been fitted with solar panels which will significantly reduce residents' power bills whilst feeding any excess electricity back to the electricity grid. Residents receive credits back for all excess power fed back into the grid.

There is also no need to sell your home before securing the unit of choice at Sanctuary Park. We understand the importance of having the security knowing your new home is being constructed for you while you sell your existing home. With our exclusive expression of interest program, you can secure first right of refusal for a limited time while you consider your options.

Another choice for you to consider is our flexible purchase options with a range of financial alternatives, giving you the freedom to choose between retaining more funds to spend now on lifestyle benefits like travel, or alternatively no exit fee.

Our units are all architecturally designed with a range of modern conveniences including air-conditioning, dishwashers and an emergency response system in our two bedroom, two bedroom plus study and three bedroom duplexes now under construction.

Our Retirement Living Coordinator Debra Winter will be pleased to take you through the display unit, community centre and on a personalised tour of the village. For an appointment phone Debra on (07) 5476 4657.
