About Churches of Christ Care

Established in 1930, today Churches of Christ Care is the largest, most diverse not-for-profit organisations in Australia.

Churches of Christ Care, a division of Churches of Christ in Queensland and working with Churches of Christ Vic/Tas, provides a range of care services to vulnerable persons at different stages of their life journey.

Churches of Christ Care is active in the areas of early childhood services, child protection, community and affordable housing, retirement living, community aged care, and residential aged care. We operate more than 144 services throughout Queensland and Melbourne, Victoria with the support of more than 3,000 staff and over 700 volunteers.

Services provided by Churches of Christ Care are funded by a mix of government subsidies, grants, fees and charges for our services such as early childhood services and residential aged care, and through fundraising activities.

Our services are offered to all those in need regardless of religious background. Churches of Christ Care is built on a foundation of Christian values, commitment to quality care, and trust and respect for clients and the community.
